RENTAL INCENTIVES  
AVAILABLE

When you see how well they designed the kitchen and dining area in this trailer - it's easy to see why we call it the "ideal" winter get-a-way. The large full sized built-in china hutch (which matches the beautiful, convenient galley kitchen) allowed the designers to give you an even bigger living room. Add in the convenient closet pantry and what more could you ask for? How about the built-in bedroom dresser with extra storage space?
