**Looking for a
home in
Pet Row?**

**RENTAL INCENTIVES
AVAILABLE**

Located on a "Deluxe" site in pet row, this warm winter home may be just what you're looking for. We just added an 8 by 12 foot shed, so you'll have plenty of space to store everything you'll need (or a great little workshop area???) Fully furnished and ready to go, this home has a special feature that makes it ideal for anyone who has difficulty getting in and out of a bathtub. The previous owner had the tub wall professionally cut to allow effortless entry into the tub/shower... making this an ideal home for someone with limited mobility.
