**The VERY
best in
Park Model
Living!!!**

**RENTAL INCENTIVES
AVAILABLE**

If you're looking for the "VERY BEST" you don't want to miss this home! Set on one of our doublewide "Ranchita" sites, this beautiful winter home has a very open floorplan with custom designed "Tuscan" flair furnishings and a full sized Arizona room set to the same level as the park model.

"Special" features of this home include a flat screen television (mounted above the fireplace) granite countertops, porcelain tile flooring, solar tube lighting, stainless steel appliances (including a full sized dishwasher and side by side refrigerator) a huge pantry, full size washer & dryer and alderwood cabinets.

The main bathroom has a large "walk-in" tiled shower and the "spa-like" second bathroom comes with a jacuzzi tub (built for two!) The dining room has a wood buffet (with built in wine rack) and a glass top dining table with 4 chairs. There are also two bar-stool chairs for the extended counter-top breakfast bar.

There never seems to be enough storage – so we built the shed large enough for a golf cart and workshop with a 10 foot ceiling (and two "bonus" storage lofts...)

Mesa Spirit is proud to offer resort homes that range from economically priced "start-up" park models to custom built homes for people wanting the very best!
